School Education and Sports Department

h a child any more than you can grow a plant. The plant develops its own nature. The child also teaches itself. But you can help it to go forward in its own way. Wh sitive nature but negative. You can take away the obstacles and knowledge comes out of its own nature. Loosen the soil a little, so that it may come out easily. Put it it is not kitted by anything. You can supply the growing seed with the materials for the making up of its body, brining to it the earth, the water, the air that it was stops.
